DR. RICCARDO PERPETUINI

He graduated in dentistry and dental prosthetics in March 2018 from the University of Foggia. After graduation, he continued his education by attending national and international courses and conferences with a particular focus on minimally invasive restorative dentistry. Founding member of the Italian Society of Dental Prosthetics and Oral Rehabilitation (SIPRO), active member of the Italian Academy of Dental Aesthetics (IAED), active member of the European Society of Cosmetic Dentistry (ESCD) and certified member of the Friends of Brugg. Speaker on the "Prosthodontic Course Q&O" and Tutor for Dr. Luca Tacchini's Conservative Dentistry course. He practices dentistry at Perpetuini Dental Practice and Italian Dental Creation, with a special focus on Prosthodontics and Conservative Dentistry.
