

NEW SYSTEM – SAME PRODUCT

ECONOMICAL

- The new blue mixing tip has **up to 20% less residual amount** than the previous green mixing tip for Futar®/Panasil®/Silginat® products (Ø 6.5 mm).
- Immediately start applying the material: **no discarding, no waste**

1

ORIGINAL

Tamper-evident closure

2

EASY

Matching color code: the cartridge cap and shield on the cartridge correspond with the mixing tip by color

3

COMPATIBLE

Works with the conventional **dispensing guns**
